SAVED BY A CORSET METHODIST MINISTERS

Cygnets Man Makes Target of a Woman. Rev. W. W. Constain Appointed to Perrysburg Church.

Mrs. Joseph Martin, wife of the landlord of the Martin house at Cygnets, had a most narrow escape from serious injury if not death on Monday, says the Sentinel.

She was struck by a bullet from a 22 Robert rifle but its course was deflected by her corset stay so that she received but a slight flesh wound.

A young man had been practicing against a vacant barn which is near the hotel. Four of his shots went through the window of a bedroom in the hotel and out through the open door into the sitting room where one struck as above related and the other three imbedded themselves in the wall.

Mrs. Martin now has the bullet as a souvenir of her dangerous experience.

Constipation causes headache, nausea, dizziness, languor, heart palpitation. Drastic physics gripe, sicken, weaken the bowels and don't cure. Doan's Regulators act gently and cure constipation. 25 cents. Ask your druggist.

REV. W. W. CONSTAIN.

COURT HOUSE NEWS

Petit Jury Gets Busy with First
Case of Term.

John Bigelow, Jr., evidently does not appreciate the ways of Perrysburg officers who concocted a little plan for checking autoists from driving too fast through the peaceful avenues of the Maumee town. He wants \$10,000 damages because his machine was suddenly stopped by one of the big poles thrust across the roadway and because he was arrested in the presence of his friends for alleged fast driving. He says that he was driving his auto at a reasonable speed when stopped. Because of the machine being brought to a sudden standstill, he avers that the occupants received a severe shock and his wife was rendered very nervous. James & Kelly are his attorneys.

Charles Myers has brought suit for divorce against Orpha Kelly Myers, his wife, to whom he says he was married at Cygnets in 1894. Absence for the past six years is the ground on which he asks the court to act. James & Kelly represent him.

Attorney W. W. Campbell and J. O. Troup have brought suit against Baldwin & Harrington, F. A. Baldwin, J. M. Pope and Laura M. Frusher to force the sale of eighty acres of land in Section 18, Middleton township, and the distribution of the proceeds. They allege that Mr. Baldwin received a deed for it which appears absolute but which was really in trust for all the plaintiffs and defendants in this action. They state that half the proceeds of the sale of the land was to go to the plaintiffs and to Baldwin & Harrington and the other half to J. M. Pope and Laura M. Frusher in equal amounts.

Jamaica Ginger, liquor and matrimony do not go well together according to the petition just filed by E. Harmon against his wife Helen, through Attorney S. P. Harrison. They were married, he states, in Toledo on September 11th, 1864, and lived at Cygnets. Then the Jamaica and liquor came and she drank to such an excess, he avers, that she became demented. Three years ago she accompanied her daughter (by another marriage) away from Cygnets since which time he has not seen or communicated with her. He wants his two Cygnets lots freed of any lien she may have on them.

According to the divorce petition just filed by Albert Coppeler against his wife, Maude, there was one more Coppeler mixed up in his matrimonial venture than he desired. Charles Coppeler is named as co-respondent.

GOLDEN WEDDING

On Friday, September 27, 1907, Michael Hartsing and wife, of Perrysburg, celebrated their golden wedding and the occasion was made a pleasing event in the history of the family.

Mr. Hartsing was born in Germany 72 years ago and Mrs. Hartsing, who was born in Perrysburg township, is 68 years of age. Mr. Hartsing has been a resident of Perrysburg since 1837.

They were married at Woodville, O., and have six children living: C. J. Hartsing, D. G. Hartsing, of Perrysburg; S. H. Hartsing, of Lima; Mrs. F. L. Cowles, of Detroit; Mrs. F. Redding, of Toledo; and Mrs. Grant Showalter, of Mansfield. There are nine grandchildren and one great grandchild.

The family residence was beautifully decorated with flowers and the family enjoyed an all day reunion. Dinner and supper being served.

The parents were remembered by their children who presented them with a purse of gold coin.

Mr. Hartsing is a carpenter by trade and many of the homes of the village give evidence of his handiwork, and with his excellent wife, they enjoy the esteem and good will of all our people.

LAST BALL GAME

Perrysburg Will Play the Crescents
of Toledo.

Next Sunday, October 6th, the Perrysburg Base Ball Club will play the strong Crescent team of the Toledo City League. The Crescents lead the city league at present and without a doubt will win the pennant.

Perrysburg has not played a game this year with a City League team and the game next Sunday will be of great interest to the people as it will demonstrate whether the home team can compete successfully with the teams in the league.

The game next Sunday may be the last this year as there are no other teams "booked."

But it is probable another game may be played October 13th. It is very likely on that date the home team will play Jake Pringle's Country Colts who have been very successful this year and have played good ball. Each team will put up \$10 as a side bet which will make the game more interesting.

The winter is long and there will be no more games until next spring. You had better attend the game next Sunday as it may be the last. Let the boys have a good big crowd; they are in need of the money. The game will be a good one worth going to see. Will you come? General admission 10, grand stand 20.

On account of exceedingly wet grounds the game last Sunday with the Milos was called off.

Won't Give Out Names.

State Commissioner of Soldiers' Claims W. L. Curry has announced that following the policy adopted by the pension department at Washington he would not give out hereafter the names of Ohio soldiers who secure pensions or increase of pensions. The action is taken as the result of the filing of many objections by pensioners who are sensitive about it and say it is a private matter and the public has no right to know whether they get pensions or not.

HOBBART.

Hiram Cable visited friends at Monclova Saturday.

Fred Isch, wife and sons Alva and Arnold, of Moline, called on John Smith and family Tuesday evening.

Edward Muhl, wife and Miss Lillian were guests of Edward Weseman and family Sunday.

Frank Harvey visited the Troy township schools Tuesday.

John Bauman, John Nietz, Ed Nietz and Ed Bench spent Friday evening with Frank J. Harvey.

Owing to the heavy rains work in at a standstill in this locality.

Jack Frost caught about one-third of the corn before it was ripe.

ATTRACTIONS AT

VALENTINE THEATRE.

The Valentine Theatre, Toledo, Ohio, will offer during the week of October 7th an organization of the "advanced vaudeville" numbers, which has been put together by Klaw & Erlanger. It is well known that the character of the vaudeville entertainment presented by this firm is a distinct advance upon that style of stage offering, and represents everything best in the field. To give it this extraordinary quality leading actors of the legitimate stage, great artists in various lines, both here and in Europe have been placed under contract and a performance by them equals the best things seen on the legitimate stage and at the same time possesses a greater variety. The bill which will be offered in Toledo at the Valentine Theatre is one sure to create a sensation and to mark an epoch there in vaudeville entertainment. It is guaranteed to be the highest salaried vaudeville organization ever gathered together. The list of performers contains prominent music and dramatic stars, and entertainers who have achieved leading reputations for their novel numbers in the leading amusement places in America and Europe. So wide is the variety of entertainment embodied in this program that an absolute guarantee can be given that everyone attending the performance will find something appealing to him. Popular prices will prevail.

Herewith we give the list of candidates that have been placed before the people by the Republicans and Democrats, of Perrysburg Corporation and School district, from which the citizens can select candidates to be voted for at the election in November.

It is the privilege and duty of every voter to go to the Primary election and express his choice of candidates to be placed on the ticket he expects to vote in November.

The manner of marking the Primary ticket is similar to that followed in making the ticket at the general election, but it must be remembered that the name of each candidate voted for must be marked with

DEATH OF DOUGLAS NORTON.

Douglas Norton of Toledo, died suddenly on Monday morning. He was ascending the postoffice steps when stricken with apoplexy and died a few minutes later at his home. For twenty years past he has been book-keeper for L. S. Baumgardner & Co., of Toledo. He was 50 years of age and leaves a wife and three children.

He was a member of the Cadets' Veteran Corps, and had many relatives in Perrysburg who deeply regret his death.

EAR OF CORN WITH TWENTY SIX ROWS.

August Heiman who farms the Apel place on the Haskins road, brought into the office this morning an ear of corn which is a prodigy. It was taken from his field and when he went through the row, it bumped him so hard that his attention was attracted to it. Its kernels are in 26 rows nine inches long.—Sentinel.

an X at the left of the name.

In cases where there is but one name for an office, as in the case of Clerk and Treasurer, it is necessary to mark the X at the left of the name just the same as though there were more than one name.

No "straight" tickets can be voted, therefore the voters MUST NOT mark his ticket in the circle at the head of the ticket.

In case of the Councilmen each voter is entitled to vote for six (6) different names but for each name so voted an X must be placed at the left of the six different names.

For Members Board of Education three (3) names are to be selected in a similar manner. This is also true for Members Board of Public Service.
